

Blackstains.

Ideas that create results..

Corporate Profile

# About

## We're more than a creative agency

We Create Ideas that Results and  
attention grabbing content.

We design identities that influence audiences to make brand grow locally  
and internationally.

We are Blvckstains and we are at your service

## Who we are Blvekstains.

## What we do

We are Blvekstains. - a full service creative agency based in Accra, Ghana. We get to make cool things for awesome brands. We do things like 3D Signage, Design, Branding, Website, Advertising and Printing.

## How we do it

We pair deep insight and industry knowledge with design thinking to create some of the most innovative products and ideas.

## Our Philosophy

We believe that partnership between client and agency is the key to an effective creative process.
